Balkumari Road 8

Lalitpur, Central Development Region

Summary

I am an enthusiastic front-end and hybrid app developer with more than 8 years of experience in the relevant fields. I have been involved in the development of various web-apps, websites and hybrid mobile apps using bleeding-edge javascript based technologies such as Angular, NodeJS, Ionic framework etc. for a myriad of high-profile companies such as Siemens, Bata, Cisco etc. In my leisure time, I would like to learn new skills, listen to music, play guitar, visit different places etc.

Professional Skills

- Javascript ES6, Typescript
- AngularJS, Angular (2+)
- NodeJS
- Html/CSS/SASS
- Ionic 3
- CouchDB / PouchDB (NoSql DB)
